Hi- we do not have any recording equipment. When the previous guy did the recordings he wanted to use a place down in ports o call. We never connected to do that.

You can come by anytime before 3.

Thanks,
miz

Good morning,

Two things. Do you know if there is recording equipment in the room or do we need to get our own?

We would like to come over this afternoon to do look at the equipment again. What is the latest time we can come over?
